

UK issues allergy warning for COVID vaccine

LONDON, Dec 9:

Britain's medicines regulator today issued a warning for people with "significant" history of allergic reactions to medicines, food or vaccines to not have the Pfizer/BioNTech jab, a day after the first set of patients were administered their first of two doses of the vaccine against COVID-19.

The warning comes after two National Health Service (NHS) workers experienced "anaphylactoid reaction" symptoms shortly after being injected, but are now said to be recovering well.

NHS England said all its trusts involved with the mass vaccination programme have been informed and from today, all patients scheduled to receive

**16 persons based abroad for sedition**

NEW DELHI, Dec 9:

The National Investigation Agency (NIA) today filed a charge sheet against 16 people based in the United States, the United Kingdom and Canada under the anti-terror law, UAPA, for allegedly indulging in seditious activities and promoting enmity on the grounds of region and religion in the country.

The NIA charge sheet alleged that the seven accused from the US, six from the UK and three from Canada were involved in an organised conspiracy for launching a concerted secessionist campaign under the banner of 'Referendum 2020' for the creation of 'Khalistan'.

**Farmer Unions reject Centre's proposal**

NEW DELHI, Dec 9:

Farmer leaders today rejected a Government offer of amendments in the new agri laws and a "written assurance" on continuing the MSP system, saying there was nothing new in it, and vowed to intensify their agitation by blocking key highways linking Delhi and a nationwide protest on December 14.

The sixth round of talks between the Centre and the agitating farmer unions slated today was cancelled, but the two sides maintained they were open to dialogue.

The Opposition, which has been supporting the farmers' stir and had backed Tuesday's 'Bharti bandh', approached President Ram Nath Kovind.

The encounter took place in South Kashmir after a gap of one month as earlier on 10th November two local militants were killed in Kupwara in district Shopian.

Sadiq Lone in whose house the militants were hiding also received gunshot injuries and was evacuated to hospital for the treatment of his injuries where his condition is stated to be stable.

"As per police records, the killed militants were part of groups involved in many crime cases including planning and executing several major attacks on security forces," the statement said.

"Keeping in view the prevailing pandemic and to ensure the safety of people from inherent risk of contracting the infection, the dead bodies of the killed militants shall be sent to Baramulla for their burial and last rites after completion of medico-legal formalities. The nearest family members of the killed militants shall be allowed to participate in the last rites at Baramulla", the statement said.

In the meantime, a woman was among six persons injured in a grenade attack in the main market of Singhpora area of Pattan in North Kashmir's Baramulla district.

DUBAI, Dec 9: In a function, the geographical indication (GI) tagged Saffron from Kashmir was launched in Al Maya Super Market, Dubai, UAE, by Principal Secretary Agriculture Production and Farmers Welfare Department, J&K, Navin K. Choudhary, in presence of Director Horticulture Kashmir and other dignitaries and delegates from Kashmir.

A geographical indication (GI) tag is a sign used on products that have a specific geographical origin and possess qualities or a reputation that are due to that origin. Saffron from Kashmir stall will remain available in Al Maya Super Market, which is headed by Group Director Kamal Vachani, AL Maya Dubai, UAE.

Pertinent to mention that a delegation of farmers, growers, businessmen and government officials from Jammu and Kashmir led by Navin Chaudhary, Principal Secretary, Agriculture Production and Farmers Welfare Department, J&K is participating in UAE-India Food Security Summit, 2020 with an aim to promote horticulture produce of Union Territory in the international market and tap the Gulf market.

Ajaz Ahmad Bhat, Director Horticulture Kashmir alongwith Syed Jahangir Hashmi, Additional Secretary, Horticulture, K. K. Sharma of Agriculture Department, from J&K Government are also accompanying Principal Secretary.

During the meeting with Consulate General of India, Dr. Aman Puri, he said India is on radar for import of best quality fruits and food products and formulation of trade agreements with UAE. India has large cultivated land, which is a major driver for growth and makes India self-reliance and focus needs to be given on hydroponics farming too.

The summit brings several key stakeholders from both the countries on one platform to share their experiences, deliberations on solutions and explore ways to further increase the collaboration in the food security.

Addressing the meeting, JKPPC chief GA Mir said that the BJP has indulged in politics of divide and deceit for political interests and running away from holding early Assembly elections even more than two and half years of Governor rule.

Post August 5, last year, the historical State has been reduced to a UT which is no better than a municipal corporation for which the people want to know the reasons behind punishing the people especially of Jammu region, who gave huge mandate to BJP and brought BJP to power in Jammu and Kashmir.

He said that it's good that elections to the DDCs of Panchayat Raj system is being held, all of a sudden but these bodies can't be substitute for the Assembly, even though powerless in the existing status, until full statehood with all rights.

Mir asked BJP as to how long people of Jammu and Kashmir shall be kept deprived of their elected Government and when the full statehood with all rights shall be restored to the people. It's the right of the people and they shall not wait too long for securing their rights to statehood and an elected Government.

AICC secretary Sudhir Sharma, former minister and vice president Raman Bhalla, chief spokesperson Ravinder Sharma, general secretary Manmohan Singh, State secretaries Shashi Sharma, Pawan Raina and DDC candidate Manohar Lal Moton were prominent those attended. Similar rally was held for party candidate Veena Devi in Kathua.

## Govt to implement e-HRM system for IAS, KAS officers

*Excelsior Correspondent*

JAMMU, Dec 9: Government has decided to implement electronic Human Resource Management System (Manav Sampda) for officers of Indian Administrative Service (IAS) and Jammu and Kashmir Administrative Service (KAS) including Junior Scale KAS officers.

"In order to enable the registration of officers on the portal, the data of the officers to be customized with the application requirements is required, as various mandatory fields required for the purpose are not available with the

*Excelsior Correspondent*

SAMBA/ KATHUA Dec 9 : Union Minister Dr. Jitendra Singh said here today that desecration of the opposition in the District Development Council

would never divide the people on religion, religion or caste basis for electoral benefits, but BJP leaves no opportunity to exploit the emotions of people for vote banks politics.

Lambasting those who criticise BJP candidates for mentioning Prime Minister Narendra Modi's schemes and welfare programmes in local body election campaign, Dr. Jitendra Singh said, the benefit of these welfare schemes has reached even to the last village and last Panchayat, and every citizen is acknowledging the vision and concern of Prime Minister Modi. He said, the free gas cylinders distributed under Ujjwala Yojana have reached even to the family members of the Congress candidates and under Prime Minister Avas Yojana (PMAY) new houses have been constructed even for

## Discovery all set to launch 'Ladakh Warriors'

KOLKATA, Dec 9:

Ladakh, known for its beautiful snow mountains and stunning blue waters, is also home to Indian Army's Ladakh Scouts, fondly known as the 'Snow Warriors'.

This picturesque land is alive with stories of their bravery and sacrifice. To introduce these courageous sons of the soil to the world, Discovery+, India's first and leading aggregated real-life entertainment streaming app, is all set to launch one of the most visually spectacular shows this year, Ladakh Warriors: The Sons of the Soil, as it forays into original content made especially for the Indian audiences.

Shot in the stunning backdrop of rugged desert mountains, Ladakh Warriors: The Sons of the Soil is an exciting and immersive film that will give the heroes of mountain warfare the attention they deserve. Born with larger lungs and genetically conditioned to fight at heights of over

15,000 ft, the young Ladakh boys only dream of being the human shield to protect their country. It is a story of determination and love for the motherland. Narrated in Hindi by the Indian equestrian, actor and nature & wildlife enthusiast, Randeep Hooda, the show depicts the grueling training that the Snow Warriors go through, at one of the highest regimental centers in the world. Ladakh Warriors: The Sons of the Soil is streaming now on discovery+.

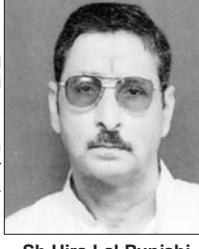

On lending his voice for the show in Hindi, Randeep Hooda said, "I have always been in awe of Ladakh's beauty. However, associating with this show, I am now equally mesmerized by the stories of these warriors, who come with a determination towards their country and train in such extreme conditions only to be able to protect their land. It's a great initiative by Discovery and I am glad to lend my voice and take this story to every corner of this country." (PTI)

## DGP reviews working of Police Construction Division

Excelsior Correspondent

JAMMU, Dec 9: To review the working of Police Construction Division (PCD), Director General of Police (DGP) Dilbag Singh chaired a meeting of senior police officers and engineers of PCD in the conference hall of Police Headquarters here today. He took stock of completed and under progress construction works at various places in the UT.

The meeting was attended by ADGP Headquarters PHQ JK AG Mir, IGP Headquarters PHQ JK & Gareeb Dass, AIG Building PHQ Javed Iqbal Mattoo, Chief Accounts Officer PHQ Amit Mahajan, Executive Engineer Sajad Naqib, Assistant Executive Engineers Ashiq Ahmad Malik, Neeraj Gupta and Ashiq Ahmad.

During the meeting threadbare discussions were held on completed as well as under-construction projects.

Speaking on the occasion, the DGP directed the officers concerned to speed up the work on pending constructions which was slowed down due to pandemic and added that we have to work at faster speed. He directed them to visit all the sites and ensure that work is going as per plans. He said that layout/master plans of

all projects should be prepared and approved well in time so that the resources, landscape could be managed properly and added that future requirements of addition/alteration should be kept in mind while taking up new projects.

He directed the officers to address security concerns while taking up restoration or construction of new projects at all Police establishments including police colonies and campuses. He directed them to incorporate technology including CCTVs for management of security. He stressed upon the quality of work and time-bound completion of all projects.

The DGP directed officers of PCD to detail a team of experts who will visit the police colonies, campuses and other places to identify the urgent requirements of different kinds of work. He asked them to coordinate with the unit heads and chalk out the plans of improvement of basic facilities for the jawans. He directed them to check the satisfaction level of user units prior to starting of the project and after completing the project which in turn will improve the working.

Executive Engineer Sajad Naqib assisted by other engineers gave a detailed Powerpoint presentation to the DGP about the project completed and in hand.

## Cong resents denial of security to Patil, withdrawal of Mir

Excelsior Correspondent

JAMMU/ SRINAGAR, Dec 9: JKPPCC has taken strong note of the withdrawal of security vehicle of Jammu and Kashmir Pradesh Congress Committee president, Ghulam Ahmed Mir and questioned the fairness of the Government to the ongoing elections.

In a hard hitting statement, JKPPCC chief spokesperson Ravinder Sharma said that the security vehicle of JKPPCC president, GA Mir has been recalled during the ongoing elections, which speaks of the fairness of the Government and its intention to deprive the opposition Congress to campaign in the elections.

Urging Election Commission to act and exercise its authority as the security agencies are hell bent to favour the ruling party in this manner, party spokesperson said that this exposes the hollow claims of the Government to provide due security to all atleast

during elections.

He said that even the senior AICC leader, Rajni Patil was not provided any security during her tour today. Except one PSO, no proper security was provided to her. AICC secretary and former Minister Sudhir Sharma too, was accompanying her.

He took exception that the Election Commission failed to ensure that the security of top leaders of Congress is reviewed and during elections, as assured. He said that rather security of senior leaders was further downgraded on the eve of elections and during elections, which is unfortunate and condemnable.

Sharma urged the Lt. Governor to take notice of these things and ensure fairness of the system. He further asked Election Commission to take serious notice of MCC violations and attempts to indulge in electoral malpractices by the ruling party especially after the vehicle with solar lights was seized in sunbani areas.

### \*PAGD playing cheap politics to exploit people: Moulana Suhaib Qasmi

JAMMU, Dec 9: After assessing the situation in Jammu and Kashmir, Moulana Suhaib Qasmi, Senior leader Bharatiya Janata Party and National Convenor Muslim Rashtriya Manch (MRM) and Moulana Jalil Chisti, National Secretary Jamiat-Ulema-e-Hind said that Union Territory needs leaders not dealers.

In an exclusive interview with EXCELSIOR, they said that with ongoing District Development Council (DDC) elections, Jammu and Kashmir is heading towards a change, which will be witnessed in the time to come.

"In UT of J&K, leaders are required instead of dealers", Qasmi said, adding that after the abrogation of Article 370, people especially the youth of Jammu and Kashmir are whole heartedly participating in the ongoing DDC elections.

Those leaders, whom people of UT Jammu and Kashmir especially Kashmir supported in the past 70 years have failed and in the time to come their existence will vanish, Qasmi said, adding that when the Kashmir centric leaders were in power they did nothing for the people of Jammu and Kashmir and when they know that their existence is perishing, they are indulging in cheap politics, but this time they can't befool people.

Jammu and Kashmir is in safe hand now and new leadership will lead the Union Territory to new heights", Qasmi asserted, new leadership will take up the issues of the people with the Central Government directly for redressal.

## Advisor Farooq reviews working of FCS&CA Deptt

Excelsior Correspondent

JAMMU, Dec 9: In a review meeting of Food, Civil Supplies & Consumer Affairs (FCS&CA) department chaired today by Advisor to Lieutenant Governor, Farooq Ahmad Khan, the performance and future targets for the department were discussed.

Advisor stressed on reducing the numbers of intermediaries in

Akbar Wani; Director FCS&CA, Kashmir, Bashir Ahmad Khan; Director FCS&CA, Jammu, Jitender Singh and other officers of the department.

Advisor enquired about stock position of ration, LPG and Subsidized Kerosene Oil (SKO) to be sent to the snow bound areas. He asked the officers to look for stocking of these supply items locally or provide them to

the beneficiaries at the time of arrival of stocks before the onset of winter.

Advisor Khan, while reviewing the Aadhar seeding of ration cards, asked the officers to use the local vernacular media to reach out to the consumers and make them aware about the benefits of the same.

He was informed that more

Senior Apni Party leaders posing with new entrants at party office in Lal Chowk, Srinagar.

## New entrants will further strengthen Apni Party: Bukhari

Excelsior Correspondent

Srinagar, Dec 9: Apni Party president Syed Mohammad Altaf Bukhari today expressed hope that the new entrants will further strengthen the party at grass root level and aware the public of its policies.

He was speaking during a party function during which prominent political workers including three Panchayat representatives from district Kulgam joined the Apni Party at its office in Lal Chowk, Srinagar.

Bukhari asked the new entrants to extend their full cooperation to the Apni Party in getting the problems of their areas resolved. "In Apni Party we all work as a team to address the sufferings of people in a proactive manner. I hope that you all will work unitedly to redress the problems and miseries of people in your respective areas besides working for strengthening the Party cadre base at the grass

roots level," Bukhari

The political workers who joined the Apni Party include Imtiyaz Ahmad Bhat (Panch Waripora), Waseem Ahmad Mir (Panch Majidpora), Nisar Ahmad Palla (Panch Palpora), Imtiyaz Ahmad Nayak, Wajahat Hussain Bhat, Abdul Rashid Nayak, Waseem Ahmad Nayak, Sajad Ahmad Nayak, Muzaaffar Ahmad Nayak, Abdul Hamid Wani and Abdul Rashid Wani.

The new entrants to the

Apni Party observed that they were convinced with the developmental agenda of the Party and its pro-people approach adopted to mitigate their sufferings.

The joining ceremony took place in presence of senior vice

president Ghulam Hassan Mir, provincial president Kashmir Mohammad Ashraf Mir, state secretary and district president Budgam Muntaaz Mohi-ud-

Din and party leaders Dr Samiullah, Muzaaffar Reshi and Imran Ahmad.

He appealed to the Moulvis and Imams of Jammu and

Kashmir to aware the people about the propaganda of Pakistan and China as both are hell bent to

disturb the peaceful atmosphere of

India, which is emerging as super power under the leadership of Prime Minister Narendra Modi.

While expressing his views,

Moulana Jalil Chisti has appealed to the youth in Kashmir, who had joined the militancy ranks, to

shun the path of violence and join the mainstream for the overall development of Jammu and

Kashmir.

When asked about the devel-

opment of hilly areas of Doda and Kishtwar districts, Qasmi said that a lot of development has

taken place in these districts, which was carried out under the leadership of MoS PMO Dr Jitendra Singh.

"World was supposed to witness new face of Kashmir, but due to Coronavirus and lock-down, it got suspended", Qasmi said, adding that in the time to come, a new face of Kashmir will

be in front of all especially those, who betrayed the people by their false and fake promises.

## What ails SKUAST-Jammu?

**S**her-e-Kashmir University of Agricultural Sciences and Technology (SKUAST) Jammu, a State University established in 1999, should find no ground in not coming up to the expectations of all concerned and keep its levels of performance continuously improving. In fact, any institution for that matter, must strive for showing an upper graph curve of its achievements - and therefore, why should SKUAST Jammu not be so? It could be in imparting education and necessary training required in various disciplines of one of the most important fields of education and forming a top priority sector of our economy, rolling out quality and talented professionals for whom lot many opportunities of various hues are never found to be in short supply in the country and the like, warrant above the average performance of this university.

It is, however, dismaying to learn that the University has, as if "vowed" to register its decline on consistent basis and project only downswing in its performance as revealed by its further slippage from its previous positions. Going through the ranking of these universities in terms of performance by the All India Council of Agricultural Research (ICAR) New Delhi for the year 2019, its position has gone down 13 notches from its previous ranking which must be a cause of concern to the management of the said university. What needs precisely to be done is to go in and find out specific areas where more needed to be done and still those areas, where innovative improvements had a lot of scope which could be brought about to look forward for bettering its ranking.

Times are changing and since competition in every field is a part of the institutional culture, students now increasingly do make a survey as to which university carried a better tag of its performance so that once rolled out carrying certificates and testimonials of such a reputed institution, could brighten and add up to their prospects of getting absorbed in competitive and responsible assignments with better career ladders to climb. After all, consistently showing a nose diving pattern right from the year 2016 till the latest ranking of 2019 does not auger well for the university in fields of academics and research work in particular, while on the other hand, despite added constraints of different hues, SKUAST Kashmir has been showing satisfactory performance and has accordingly improved its ranking. Not only that, it is learnt that many newly opened Agricultural Universities and allied institutes have performed better than SKUAST Jammu which is functioning since 1999.

New vistas of Agriculture areas in matters of new breeds and varieties of fruits, vegetables etc have great potential in various parts of Jammu region which remain not only untapped but lack quality expertise and professionalism which could have been taken care of by this University. In areas of dairy and dairy products, much remains to be done in Jammu region where not only is the shortage of milk and milk products prevalent but most of these items are sold adulterated to meet the growing demand. SKUAST Jammu can make a breakthrough in its research and expertise so as to ensure a turnaround in dairy and dairy products in this part of the UT. The University needs to take a cue from ICAR- National Dairy Research Institute Karnal which has repeated its ranking in the top, consecutively for the fourth year. Likewise, other Universities in our neighbouring State Punjab have improved their rankings. Hope, next ranking of this University of 2020 shall see not only frog leaps but big strides in its performance to claim a better place in its ranking.

## How long will chest disease patients suffer?

**A** greed that in treating COVID patients, especially looking to their ever increasing number over the last four months, the Chest Disease Hospital Jammu was declared as level-2 COVID Hospital which caused relocation if not absolute dislocation to chest disease patients in terms of consultation, diagnosis and treatment facilities. They had, as a result, to keep shifting between hospitals although at SSH, the concerned IPD was shifted.

Most of the hospitals suspended their OPDs and the Chest Disease Hospital too followed suit which remained in strict force for over a month. While this decision was imperative as a novel type of emergency had crept in, the chest disease patients especially those suffering from the TB, had to suffer much for want of treatment facilities. Who else could be blamed excepting the authorities of the Health and Medical Education Department, the GMC Hospital Jammu for neglecting chest disease patients for whom otherwise the Chest disease hospital is exclusively meant. To treat one set of patients at the cost of other, augers not well for the Health care authorities.

Now, as if their woes were less, these patients have to visit different hospitals for diagnosis and treatment which most of the patients find difficult to cope up with. Gandhi Nagar hospital being not equipped with infrastructure of TB testing facility, these patients had to go Gangyal. Under these circumstances Medical authorities must consider to earmark one ward for such patients in GMC Hospital Jammu or at SSH till the pressure of COVID patients on CD hospital remains to enable them get timely diagnosis and treatment.

**T**he Galwan valley clash of June 15 led to the death of 20 Indian soldiers and many more Chinese troopers. A recently released annual report of the United States-China Economic and Security Review Commission (USCC) stated, 'Some evidence suggested the Chinese government had planned the incident (Galwan), potentially including the possibility for fatalities.' The report added that exact motivations behind the Chinese Government's provocative behaviour' on the LAC 'remain unclear', adding that the 'proximate cause' of the intrusion appeared to be construction of a 'strategic access roads.'

Officially the Chinese have never declared their reasons for the intrusion. The causes could have been multiple including warning India from moving closer to the US and/or securing their investments in the CPEC.

The USCC report also stated that a fresh battalion was moved into Galwan, armed with hand held weapons, prepared for violence, though below the use of firearms, still adhering to the existing conventions. With confirmed reports that most casualties were caused by stone

However, the Chinese plans failed as the Indian army retaliation was severe and hard, causing heavy casualties to Chinese

injuries, the report added, that the Chinese had stocked large quantities of stones in preparation for striking Indian soldiers. It also quoted The Global Times, a Chinese government mouthpiece, two weeks prior to the clash, which warned India of suffering a devastating blow in trade and economic ties if it became involved in US-China rivalry. The Chinese Defence Minister had also suggested that violence may have to be adopted to ensure stability.

The Indian government had been blaming China for the incident. The foreign ministry spokesperson stated, 'the Chinese side took pre-meditated and planned action that was directly responsible for the resulting violence and casualties.'

The original Chinese plan was evidently to cause casualties to Indian forces, thus lowering their image and morale. It is also likely that the clash was planned to push India for talks on Chinese terms.

China was aware that anger within the Indian forces was

troops. Chinese has yet to officially announce and honour its casualties. There were reports that Indian soldiers, unmindful of Chinese hand held weapons, attacked them with bare hands and bayonets and were ruthless in retaliation. This shocked the Chinese who retreated from the post. The impact on the Chinese forces was such that the battalion involved in Galwan was immediately withdrawn and returned to its base location. There were reports that the withdrawal was because their soldiers had been demoralized by Indian retaliation and resultant large casualties.

The Galwan incident pushed India onto the offensive. Having suffered high casualties, China immediately sought a meeting of Lt Generals to disengage at Galwan and other friction points. Temporary disengagement did take place along most of the friction points, though these slowly lost relevance with passage of time and Indian occupation of dominating features.

China was aware that anger within the Indian forces was

Chinese regularly evacuating casualties due to weather conditions.

India retaliated to Chinese actions by banning their apps and placing restrictions on their investments. Infrastructure projects given to Chinese concerns were stopped. It also adopted an anti-China stance by enhancing its strategic alliance with the US, a possible reason for the Chinese intrusion and pushed for upgrading of the QUAD.

India displayed, after decades of conciliatory moves, that it would now stand tall against China and its actions. The incident opened Indian eyes and made the national leadership realize that China and its leaders, despite all attempts at bonhomie, can never be trusted, and China will remain not just a competitor but also an adversary.

Indian defence spending, which was kept suppressed, based on the faith that the LAC is secure, was increased. The Indian government announced that while it desires peace, it is ready for hostilities and would not accede to any Chinese

demands for change in the alignment of the LAC. China is currently checkmated and has no choice but to remain deployed in the areas where it currently is. It can neither move forward nor retreat as that would be projected as a defeat. Its intention to push India to accept its perception has been stalled. Neither would India withdraw the economic measures it has imposed on China.

The report issued by USCC only confirmed what India had been stating all this time that Galwan was pre-planned, but at the end of the day, a failure. The incident pushed trust between the two nations to an all-time low. Currently, neither nation is willing to take the first step in pulling back as it doubts the intention of the other. Talks may continue but it is unlikely to yield any worthwhile results.

The current deployment, the closest to a conflict in decades, is likely to continue for a prolonged duration, with no end in sight. Galwan also ensured that Wuhan's and Mahabalipuram's are unlikely to take place in the future. It opened the eyes of the Indian Government that China will remain a serious adversary and it must plan for the future.

## Human Rights must for humanity

D R Bhagat

**H**uman Rights are fundamental and basic rights which are possessed by all human beings irrespective of sex, caste, race or nationality simply because of their birth as human beings. These rights are not created by any legislation and hence they are not liable to be taken away by any legislation or any act of the Government. They can't be even amended by any legislation or any legal process. These rights are generally set out in the constitution of a country. They are interdependent, interrelated and indivisible. The basis for these rights is that all human beings are born free and equal in dignity and rights.

The concept of these human rights is more than 25 centuries old but the oldest written document on human rights is Magna Carta of 1215 A.D. issued in England. The Petition of Rights Charter was passed in Europe in 1928. The US constitution of 1776 also recognized the importance of human rights.

Giving the importance to human rights protection, some UN bodies were formed exclusively to promote and monitor the progress in the field. The UN commission for human rights was established in 1946. The commission was given the responsibility of preparing recommendations and reports on International Bill on Human Rights, International declaration on civil liberties, the status of women, the protection of minorities and the prevention of discrimination on the basis of race, sex, language and religion.

This commission was replaced by the Human Rights Council in 2006. The sub-commission on Prevention of Discrimination and Protection of Minorities was established in 1947. Another Commission on the Status of Women was established in 1946.

It has done a work for promoting the rights of women in political, economic, civil and educational fields and also in achieving the goal of women having rights equal to those of men. The UN High Commissioner for human rights was established in 1993 with head quarters at Geneva.

The High Commissioner will promote and protect civil, cultural, economic and political

rights for all and shall also prevent the violations throughout the world. There were also some international conventions on human rights of different segments of international society. These conventions were held on Elimination of All forms of Racial Discrimination, Convention on Rights of Children, Convention on All Forms of Discrimination against Women, Convention on the Protection of Rights of All Migrant Workers and Convention relating to Humanitarian Laws on War etc.

The most important document which gave the reason for celebration of Human Rights Day is the Universal Declaration of Human Rights. This is also known as the Modern Magna Carta. It was passed by the UN General Assembly on December 10, 1948. There are total 30 Articles in this declaration which describe the human rights and the fundamental freedoms in detail. The human rights have been classified in three categories i.e. the General Rights, Civil and Political Rights and Economic, Social and Cultural Rights.

Under General Rights the Articles 1 and 2 state that "All human beings are born free and equal in dignity and rights" and "Everyone is entitled to all the rights and freedoms without distinction of race, color, sex, language and religion." Civil and Political Rights include Right to Liberty, Prohibition of Torture

and Inhuman Treatment, Right to own Property, Right to Freedom of Thought and Religion, Right to Freedom of Opinion and Right to Nationality, Economic, Social and Cultural Rights include Right to Social Security, Right to Education, Right to Work and Employment.

The concluding article also highlights the duties and responsibilities which the individual is required to be performed. Now almost all the nations have accepted and adopted it as a standard document on Human Rights and have agreed that all these rights

including those of two Sadhus in some parts of the country and the Government failed to perform its duty to save these lives.

Children under the age of 14 are forced to work in factories and are deprived of their Right to Education. India has dubious distinction of having largest number of child workers in the world. Many laborers died on way due to fatigue and hunger on way after traveling hundreds of miles on foot during the outbreak of Corona and the government failed to provide adequate food and other facilities to them. The Human Rights of the women are violated frequently. Sexual abuse of female children, dowry deaths and rape cases are generally reported in news. The pitiable condition of the widows living in Vrindaban and Varanasi shelter homes is an example of violation of human rights of the women. Not much has been changed even after the Supreme Court instructions in 2012.

There are many NGO's who are working in the field of Human Rights. India has the distinction of having largest number of human rights NGO's in the world which are assisting the government in protecting these fundamental rights. However, the real progress can be achieved through general awakening which makes everyone understand the eternal values of life and dignity of an individual irrespective of caste, creed or sex. Respecting and protection of Human Rights is must for peaceful survival of humanity.

are required to be respected and protected.

But despite all these efforts and checks by the United Nations, grave human rights violations are still taking place in different parts of the world.

Religious fundamentalism is a big threat to human rights protection. Iraq and Syria are the big sufferers of religious fundamentalism. ISIS, a religious fundamentalist and terror outfit has mercilessly massacred a large number of innocent people.

The number of massacred people is estimated from 4 to 5 lac. More than 7 million people have been displaced and 5 million people have become refugees.

In conflict in Afghanistan with the Al-Qaeda and Taliban more than one lac

## A decisive moment for Kashmir leadership

K N Pandita

**T**he decision of the People's Alliance for Gupkar Declaration to participate in the grassroots election process viz. DDC, Local Bodies and Panchayats in the Union Territory, is a sensible and pragmatic one. What has made them break the jinx is the realization of the damage they chose to inflict on their respective political parties by adopting an indifferent attitude towards the democratic process in the past. By abandoning the negative approach the alliance partners have shown political maturity which the masses of people have appreciated.

It also indicates lessening of pressure hitherto exerted by the separatists in the context of elections. The mainstream political leadership should feel emboldened to take a considered decision particularly at crucial stages like the one at present. That is perhaps the revival of democracy.

Some political analysts are of the view that the mainstream political parties have abandoned their earlier reticent and even non-cooperative attitude because of the lurking fear of the erosion of their popularity in prospect of the boycott call. By leaving the political battlefield vacant for the BJP, as in previous Panchayat elections, the mainstream political parties in the Valley have unwittingly given space to BJP for upturning the turf to facilitate their game plan. The gunning down of no fewer than 18 BJP activists in the length and breadth of the valley during past one year by the gun-wielding "freedom fighters" and the unwillingness of the mainstream parties to share the grief of the victims of violence will take its toll in the impending elections.

We are aware that Kashmiris are eager to dovetail their cause to a wider Islamic resurgence phenomenon in the Asian region. Of course, most Muslims are conscious of various Islamic resurgence movements and the Arab Spring is its latest manifestation. On a psychological and historical basis, there is nothing wrong in that. But the point is that Kashmiri Muslims cannot underestimate that after independence India adopted the path of democracy, secularism and egalitarianism as the politi-

cal arrangement of the Indian nation with a Hindu majority. The travesty is that some Valley-centric leaders, blind to the dynamics of history, would go to the length of accusing India for not talking to Pakistan because "the latter is a Muslim State." They forget that Bangladesh, a Muslim dominated region separated from Pakistan mainland by giving the sacrifice of millions of people.

Calculated terrorists were roaming the length and breadth of that country. Moreover, owing to Pakistan's failure to contain and control illegal funding to the home-based terrorist organizations, she has not been able to escape from the "grey list" syndrome of FATF.

Perhaps the time has come for the ordinary Kashmiris to look around and also inwards rather than become euphoric about chasing an unattainable wild dream. Unfortunately, it has been the bane of most of the less developed West Asian and Middle East societies to remain glued to a politicized rather than a reformative religion. Though belatedly, even Saudi Arabia, the known bastion of orthodoxy, has begun to feel the necessity of keeping pace with the fast advancing scientific and technological achievements of the developed countries with tremendous impact on life.

Religious, emotional and social connectivity apart, the people in the Valley need to make a dispassionate and realistic appreciation of the evolving socio-political construct in the neighbouring country and dovetail it to their perceptions. The first onslaught of modernism or the age of advanced science and technology on the Islamic mind is that it throws a serious challenge to the exclusivist ideology of any community because of geo-economic constraints. Nations do not and cannot work with an exclusivist hangover.

The argument that by embracing inclusiveness, the Kashmiri or for that matter the Indian Muslims will lose their identity or distinctiveness is only a figment of the imagination. Democracy and openness are contrary to exclusiveness, rather its antithesis. Because the economy is the sheet anchor of survival for any society, Kashmiris need to think of long term policy particularly when the economy of the region is not only fragile but entirely dependent on external boost up.

Efforts are made in several Islamic countries to water down the fundamental criteria of the Westminster type democracy or at least to dovetail it to what is obtainable from the skuldugery of interpretation of the Quranic verses. The kid-glove treatment to the scriptural fundamentals seems difficult to succeed. Democracy, secularism and

egalitarianism are deskbook versions of long experience through which the political theoreticians have journeyed.

Often, a question is asked by the younger generation that if India was partitioned in 1947 based on religion, why the Muslims should continue to be in India and such large numbers? The answer is simple. Indian National Congress-led the freedom struggle against the colonial power not based on religion but on the basis of democratic rights of the people of India. The Muslims of India contributed to the national struggle as ardently as the people of any other faith did, the Sikhs, the Parsees, the Buddhists etc. How could they be ignored or sidelined if they desired to continue to live in India and not migrate to the newly formed Dominion of Pakistan? After all, Pakistan was the new avatar of colonial ideology where the landlords, either living in Pakistan or migrated from

## Health Sub Center of Chandyal village not completed since 1997

*Excelsior Correspondent*

MENDHAR, Dec 9: Construction work of the Health Sub Center at village Chandyal of Sangayat area falling under the Block Balakot of Mendhar Sub Division in Poonch district has been abandoned for the last 23 years.

Sources said that in 1997, the construction work of Sub Center, Chandyal was started by the Rural Development Department (RDD), which was taken up to the wall plate level. This was followed by an encounter with terrorists in the same area in which two militants were killed in 2004, during which the sub-center under construction was extensively damaged. No one paid attention till date towards this issue.

Local residents Mohammed Khan, Mohammad Taj, Ali Dad and others said that our village is a backward area. This is the last village of Mendhar Sub Division where neither there is any road nor any other facility. He said that this village has a population of more than 700 to 800 souls but

## Increase monthly cash relief of Kashmiri migrants: JTC

*Excelsior Correspondent*

JAMMU, Dec 9: Jagti Tenement Committee (JTC), Soan Kashmir Front (SKF) J&K today demanded the UT as well as Central Government to enhance monthly cash relief of Kashmiri migrants.

Addressing a press conference here today, JTC president Shadi Lal Pandita said, "We have been protesting in Jagti township for 69 days but nobody from UT and Central Government came to listen to our issues and grievances".

He said that the monthly cash relief of Kashmiri migrant relief holders is very low as one member of migrant relief holder is getting only Rs 3,250, two-member family is getting Rs 6,500, three member-family is getting Rs 9,750 and a four-member family is getting Rs 13,000 only which is very low in this inflation.

Pandita demanded that the monthly cash relief of relief holders be increased from Rs 13,000 to Rs 25,000 per family per month. He further demanded that a job be given to those households/families in which no family member has got a job till date. He said at least 5000 class IV jobs should be given to those Kashmiri migrant families who

## BJP to continue development spree with endurance, pace: Kavinder

*Excelsior Correspondent*

UDHAMPUR, Dec 9: Bharatiya Janata Party has embarked on a journey in J&K to ensure all round development and the party is bound to go full throttle to achieve this mission in days to come.

This was stated by senior BJP leader and former Deputy Chief Minister Kavinder Gupta in a series of public meetings held in and around Udhampur today.

"Unlike NC, PDP and Congress parties which seek mandate using divisive tactics, the BJP has taken the 'development route' to become popular among the masses. It has set the goal of serving the society with-

out distinction and discrimination of region, religion or linguistic contours. This is the reason that people of all hues and ethnic groups have started showing faith in the party which earnestly believe in Sabka Saath Sabka Vishwas", senior BJP functionary said adding that Government has given another chance to electorate to strengthen BJP once again by means of giving majority in DDC polls to ensure that party continues with the development spree with more confidence and added pace.

Besides number of bountiful schemes designed for the welfare of people, there are various infrastructure projects in the offing which will change the face of J&K as far as development scenario is concerned. The prerequisite for development in the region is people's continuous support to party as the case was in the earlier electoral contests", he said adding that BJP in power means public welfare initiatives acquiring momentum of sort which people have never seen in the past.

The senior BJP leader listed several projects which took shape during earlier tenure of BJP in J&K including IIT, IIM, AIIMS, modern parking complex at Bus Stand, etc.

Kavinder made it clear that the era of lack of facilities and edifice ended in J&K only after BJP took the reins and supporting party in DDC and other ensuing polls is nothing but a holy service towards restoring pristine glory of the Union Territory.

Earlier, Director NIFT, Dr Javid also called on Commissioner Secretary and apprised him of several issues including water supply to NIFT.

The proprietors of Lassipora Food Park also called on Commissioner Secretary and apprised him regarding the progress on RFK Green and Khizar Agro Lassipora. The commissioning of these units was discussed in threadbare and it was decided that issue of land allotment to the prospective food processing units will be resolved.

It was informed that RFK Green will come up with the time-frame of Commissioning of the unit while Khizar Agro will start production in the month of December.

Among others Director Industries and Commerce, Mehmood Ahmad, members of PHD Chamber of I&C including Bilal Ahmad Kawoosa, Himayu Wani, Jaan Muhammad Koul, Showket Mirani and Iqbal Fayaz Jan were present.

Addressing an impressive public meeting in support of the Congress candidate for DDC elections in Bishnah block, Motam, Bhardwaj lamented that the BJP and its so-called strong leaders must bear this hard reality in mind and stop making mindless statements in the name of farmers' welfare and their upliftment. Had there been any truth in their statements, the farmers would not have been protesting on the roads day and night in these harsh wintry conditions.

"You owe an explanation to the nation as to why the farmers have been forced to hit the roads for their genuine and legitimate demands," he asked the BJP leaders.

Bhardwaj criticised the Narendra Modi Government for not accepting the just demands of the farmers to withdraw the

their social media page. He said this year following COVID-19 guidelines and restrictions, bhandara at Temple premises was cancelled but packed 'prasadam' for all devotees who came to seek blessings in temple was arranged.

The devotional song was released by distinguished guest SSP Ranjit Singh Sambyal, SSP Traffic Jammu Shiv Kumar Sharma and chairman Kotli Colony Welfare Trust, Chandan Datta.

Speaking on the occasion, Mahant Rumil Sharma apprised all devotees that Lord Bhairav is 5th 'Rudri Avatar' of Lord Shiva and the temple situated at Chowk Chabutra (Panjirithi) is the only temple of Mahakaal Bhairav Dev in the UT. He said that one who worships Bhairav Dev becomes free from all fears and loss.

Mahant Rumil Sharma appealed the people to see Bhairav Dev documentary and Bhajan which, he said, is available on YouTube channel and Trust Chandan Datta.

The function concluded with vote of thanks presented by social activist and 'Sewadar' of Bhairav Temple

## Opposition delegation meets

## President, seeks repeal of farm laws

NEW DELHI, Dec 9:

A delegation of Opposition leaders today met President Ram Nath Kovind and sought repeal of the three farm laws against which thousands of farmers have been protesting on various borders of the national capital.

The five-member delegation comprised Congress leader Rahul Gandhi, NCP chief Sharad Pawar, CPI(M) general secretary Sitaram Yechury, CPI general secretary D Raja and DMK leader TKS Elangovan.

"We met the President and informed him of our view regarding the three farm laws. We have asked for their repeal. We informed the President that it is critical that they are taken back," Gandhi told reporters after the meeting.

He said the way the farm laws were passed in Parliament in an anti-democratic manner preventing a structured discussion and voting, threaten India's food security and our farmers, lay the basis for the abolishment of the Minimum Support Price (MSP) and mortgage Indian agriculture and our markets to the caprices of multinational agri-business corporates and domestic corporates," it said.

The kisan (farmer) has lost faith in the Government. The kisan does not believe that the Government is acting in their interest and that is why lakhs of them are on the streets, non-violently, passionately on the streets," Gandhi said, adding, "The farmers will not relent and will continue their protests till the laws are taken back."

Later, Gandhi tweeted, "The farmers of the country have realised that they have been cheated by the Modi Government and they are not going to relent because they know that if they compromise today they will have no future.

The kisan (farmer) has lost faith in the Government. The kisan does not believe that the Government is acting in their interest and that is why lakhs of them are on the streets, non-violently, passionately on the streets," Gandhi said, adding, "The farmers will not relent and will continue their protests till the laws are taken back."

The senior BJP leader listed several projects which took shape during earlier tenure of BJP in J&K including IIT, IIM, AIIMS, modern parking complex at Bus Stand, etc.

Kavinder made it clear that the era of lack of facilities and edifice ended in J&K only after BJP took the reins and supporting party in DDC and other ensuing polls is nothing but a holy service towards restoring pristine glory of the Union Territory.

Earlier, Director NIFT, Dr Javid also called on Commissioner Secretary and apprised him of several issues including water supply to NIFT.

The proprietors of Lassipora Food Park also called on Commissioner Secretary and apprised him regarding the progress on RFK Green and Khizar Agro Lassipora. The commissioning of these units was discussed in threadbare and it was decided that issue of land allotment to the prospective food processing units will be resolved.

It was informed that RFK Green will come up with the time-frame of Commissioning of the unit while Khizar Agro will start production in the month of December.

Among others Director Industries and Commerce, Mehmood Ahmad, members of PHD Chamber of I&C including Bilal Ahmad Kawoosa, Himayu Wani, Jaan Muhammad Koul, Showket Mirani and Iqbal Fayaz Jan were present.

Addressing an impressive public meeting in support of the Congress candidate for DDC elections in Bishnah block, Motam, Bhardwaj lamented that the BJP and its so-called strong leaders must bear this hard reality in mind and stop making mindless statements in the name of farmers' welfare and their upliftment. Had there been any truth in their statements, the farmers would not have been protesting on the roads day and night in these harsh wintry conditions.

"You owe an explanation to the nation as to why the farmers have been forced to hit the roads for their genuine and legitimate demands," he asked the BJP leaders.

Bhardwaj criticised the Narendra Modi Government for not accepting the just demands of the farmers to withdraw the

demands raised by India's Anna movement in the new farm laws and that is why the farmers are disturbed.

CPI(M) leader Yechury said, "We told the President that the three farm laws were passed undemocratically in Parliament and have sought the repeal of these laws."

He said the government should repeal the acts in view of the widespread protests by farmers.

Raja said these three laws will place the farmers and agricultural workers at the "mercy of corporates" and big agri-businesses.

"This is not in the interest of the country as a whole. It is not affecting only the farmers, who have been protesting for last two weeks, it will subject the agricultural workers to horrific living conditions," Raja said, adding as political parties, "they cannot remain mute spectators".

Elangovan said the government promised Parliament to be aimed at handing over the farming sector to the "friends of the Prime Minister", but the farmers are fearless and would not back off and will continue with their peaceful agitation.

The Opposition leaders submitted a memorandum to the President that said, "We urge upon you, as the custodian of the Indian Constitution, to persuade your Government not to be obdurate and accept the

"Country can't become superpower without farmers' support: Bhardwaj

*Excelsior Correspondent*

JAMMU, Dec 9: Senior Congress leader and former J&K High Court Bar president, M K Bhardwaj today said that the existence of a rural and agro-based economy and making country a superpower is not possible without uplifting the farmers and protecting their interests.

The emergence of a strong India is directly related to the socio-economic conditions of the farming community. "Agar Kissan hai to Desh hai, agar Kissan Nahin to Desh bhi Nahin," he stressed.

Addressing an impressive public meeting in support of the Congress candidate for DDC elections in Bishnah block, Motam, Bhardwaj lamented that the BJP and its so-called strong leaders must bear this hard reality in mind and stop making mindless statements in the name of farmers' welfare and their upliftment. Bhardwaj criticised the Narendra Modi Government for not accepting the just demands of the farmers to withdraw the

three anti-farmer laws that were passed hurriedly in the two Houses of Parliament without any discussion. The protesting farmers have already clarified that they had neither demanded these laws nor were they consulted.

It clearly shows that the laws have been brought by the Government with the interests of the big corporates in mind and not the farmers, he added.

He accused the Government and the BJP of letting down both farmers and soldiers of the country in the matter of protecting their interests. The farmers on protesting on the roads for their existence at a time when they should have been in their fields.

The former agriculture minister said not a single suggestion of opposition leaders raised in Parliament were accepted by the Government and all these bills were passed in haste.

"Women's welfare never a priority for previous regimes: Priya Sethi

*Excelsior Correspondent*

RAJOURI, Dec 9: Slamming the opposition parties, former Minister and senior BJP leader Priya Sethi said that women's welfare was never a priority for previous Governments.

Addressing an election campaign meeting in support of Party's candidate for DDC polls here today, Priya Sethi, who is also the Prabari of Rajouri District, said that previous Governments did not do anything to provide even basic facilities to women and just made hollow promises.

"Those who ruled India for 60 to 70 years has been miserably failed to provide basic amenities for women's welfare, she said, adding the previous Governments just kept waiting for the right time to usher social reforms and change in attitude.

In the last four years, society's view towards girl children and women empowerment has undergone a positive change, she said.

She said that the BJP enjoys confidence of the people of the country from Panchayat-level to Parliament after exploring various options in the last six to seven decades. Women in the country has reposed faith in the BJP Government, she emphasized.

"Eighteen crores of the total Jan Dhan bank accounts belong to women", she said, adding that the male-female sex ratio has also improved, especially in Haryana which has had a dubious record in the past. Modi Government has passed Anti-Trafficking Bill and capital punishment will be given to rape convicts of minors," she asserted.

## India well-positioned to provide globally-skilled workforce: MEA

NEW DELHI, Dec 9:

India is well-positioned geographically and geopolitically to create and provide globally-skilled workforce, an official of the Ministry of External Affairs said today.

Addressing the 9th Global Summit on Skill Development, MEA Secretary (CPV & OIA) Sanjay Bhattacharya said India stands ready to improve the presence of highly-skilled workers and professionals through mutually-beneficial arrangements with Europe, the US and Japan.

Today's world is characterised by globalisation that thrives on mobility of global talent. Specialisation, domain-specific knowledge and skills are key to success and will also determine employability of the youth, who form India's demographic dividend and an advantage the country shall

Bihar student names Emraan Hashmi,

Sunny Leone as parents

MUZAFFARPUR, Dec 9:

Emraan Hashmi and Sunny Leone are residents of this north Bihar town and though not married to each other, have a 20-year-old son studying in a college near here.

Authorities at the Bhim Rao Ambedkar Bihar University here were flummoxed when screenshot of a BA 2nd year students purported admit card, which has gone now viral on the social media, was brought to their notice.

The examinee, Kundan Kumar is supposedly a student of Dhanraj Mahto Degree College, affiliated to the varsity and situated in Meenapur block of the district.

Against the column of fathers name is printed Emran Hashmi, which despite its different spelling brings to mind the Bollywood actor known for a licentious onscreen persona.

Moreover, the name of Leone, a born star-turned- Bollywood actress, as the mother, and Chaturbhuj Sthan, the towns infamous red light area, as the address give away the mischief. (PTI)

## CAT quashes final seniority list of SIs

frequent and different interpretation of rules needs to be addressed by the concerned administration to reduce the level of litigation being faced by the organization", CAT further said, adding "non obstante clause of Rule 111(2) of the Police Rules is to be applied to fix seniority of the applicants and they shall be given seniority during the probation period i.e.

**Govt officers are like 'Kumbhakarna', wake up only after being scolded: Acting CJ**

of replies/objections in the cases pending in this court, the Government officials are no better", adding "as has been mentioned in Ramayana, Demon King Ravana had to use lot of noise and different means to wake up Kumbhakarna, when his kingdom was in trouble. Here also the Government officials are to be woken up from slumber by using different means".

About the case in hand, Acting Chief Justice said, "the project for creation of infrastructure in Union Territory of Jammu and Kashmir had been put on hold, on account of interim stay granted by this court on 17.04.2018", adding "as usual the department was sleeping over the matter. They did not even take care to file objections immediately after receipt of notice. Apparently sleeping over a matter may be more suitable for the reasons best known to them but the result remains that the people of Jammu & Kashmir remain deprived of better infrastructure facilities".

Pointing towards the order passed on May 15, 2019 wherein in serious concern was expressed over delay in filing of objections in the matter relating to the developmental works, Justice Bindal said, "despite this order the official respondents continued sleeping over the matter for more than one year and objections were not filed to the writ petition".

"Another angle which needs consideration of competent authority is the manner in which the estimated cost of project is evaluated", Acting Chief Justice said, adding "in the case in hand e-NIT mentioned the estimated cost of the project as Rs 1,285.68 lakh but the petitioner claimed that his offer was for Rs 9,90,10,059. But the fact remains that the difference in cost estimated by the department as compared to the bids submitted by the bidders was about 15-20%. The lowest bidder had offered the rate, which was 19.10% less than the estimated cost".

"Another strange fact is that any successful bidder is ready and willing to execute the project at the same rates even after five to 10 years after the same was allotted. Such instances have come before the court earlier also", Acting Chief Justice said, adding "apparently, it can be for one reason that the rates at which the works are allotted are so high that any contractor is able to execute the same even after five to ten years of allotment even if the time provided for completion of the work may be 1-2 years".

Stating that there is always increase in various cost including the labour cost during all this period besides this material cost also increases, High Court said, "may be it is more lucrative to work in Jammu & Kashmir as one of the company registered in Assam was also in litigation with the department here with reference to some contract. There can be issue of quality of construction also".

Laying thrust on deep examination of these issues, the Acting Chief Justice directed the Chief Secretary of J&K Union Territory to refer some cases for test audit to the Central Road Research Institute for quality of the works being executed here.

"Estimated cost of project calculated by the department should also be gone by the Institute. Besides this, any other related matter can also be referred by the Chief Secretary to the Institute as the idea is to bring transparency in the system and create better infrastructure", Justice Bindal said.

SEC KK Sharma addressing a press conference in Jammu on Wednesday.

## Keen fight as many prominent contestants in fray today

ond constituency which will witness polling tomorrow, the main contest is between Rajesh Sharma of NPP and Amit Sharma of BJP.

Sushma Thakur wife of former National Conference MLA late Rashpal Singh Thakur is facing Anita Thakur of BJP who happens to be the wife of Rashpal Singh's brother Randhir Singh, from Kalakote constituency in Rajouri district. Candidates of other parties

are also in the fray. Sarf Singh Nag, who had quit the Government job as JKAS officer, is the BJP candidate from Bhonag seat in Reasi district in tomorrow's polling. He is facing Hukam Singh of the Congress among other candidates. Nag had contested Reasi Assembly seat in 2014 as an Independent candidate and lost by just few hundred votes.

BJP district president for Poonch Mohammad Rafiq Chisti

is in the contest with Congress district president for Poonch Gani Choudhary besides Jammu Kashmir People's Movement (JKPM) nominee Radham Preet Singh, who has the backing of Gupkar Alliance. Other candidates are also in the fray.

A total of 37 District Development Council (DDC) constituencies will witness polling in the fifth phase of ongoing polls, besides 58 vacant Sarpanch and 218 Panch seats tomorrow, State Election Commissioner (SEC) KK Sharma told reporters here this evening.

Besides 20 seats of Jammu, voting will be held in 17 seats of Kashim, he said.

For 17 DDC constituencies of Kashmir division going to poll tomorrow, there are 155 candidates in fray including 30 females. In Jammu division, there are 144 candidates in fray for the 20 DDC constituencies in this phase, including 40 women.

The SEC further said 125 Sarpanch vacancies were notified

load remained below four lakh for the third consecutive day.

There are 3,78,909 active Coronavirus infections in the country now which comprises 3.89 per cent of the total caseload, the data stated.

India's COVID-19 tally had crossed 20 lakh on August 7, 30 lakh on August 23 and 40 lakh on September 5. It went past 50 lakh

on September 16, 60 lakh on

September 28 and 70 lakh on

October 11. The figure crossed 80 lakh on October 29 and surpassed 90 lakh on November 20.

He added that all the requisite arrangements for this phase are in place including manpower, election material and security arrangements in all poll going areas. In view of the Covid-19 pandemic, adequate arrangements have been put in place to ensure safety of all stakeholders including the voters coming to vote at the polling stations.

Sanitizers, thermal scanners and face masks have been arranged at the polling stations to ensure that SOPs issued by the concerned authorities, including wearing face masks and maintaining social distancing, are strictly followed at the polling stations.

The SEC said that out of these 2104 polling stations, there shall be poll for Sarpanch vacancies on 271 polling stations and Panch vacancies on 229 polling stations, along with the DDC polls. Polling will be held from 7 am to 2 pm.

He added that all the requisite

arrangements for this phase are in

place including manpower,

election material and security

arrangements in all poll going

areas for the next 24 hours", the DMC said.

In the meantime, the weather condition in Kashmir improved today but the Weatherman has forecast fresh snow spell across J&K from December 11 evening.

Although the weather remained cloudy throughout the day in plains as well as higher reaches of the Valley, the officials in the Meteorological Department said that Drass, Sonamarg, Gumad and other adjacent areas received snowfall today as well.

A McT official said that the weather would remain mainly dry on December 10-December 11 evening across J&K and Ladakh, adding that there are less chances of wet spell during the period in higher reaches.

From December 11 evening to December 12 afternoon, there is possibility of light to moderate rains, snowfall across J&K and Ladakh", the official said.

He added that the night temper-

ature across Kashmir has

increased due to the fresh snowfall and rainfall while the day temper-

ature has gone down in the Valley.

Meanwhile, Srinagar-Leh highway and Mughal Road con-

tinued to remain closed for the second consecutive day today due to snowfall.

A traffic department official said that in view of inclement weather prediction issued by McT department in J&K for next few days, there are chances of blockade of highway, thus the people are advised to avoid jour-

ney on Jammu-Srinagar high-

way.

"However, subject to fair

weather and better road condi-

senger) shall be allowed from

Jammu towards Srinagar tomor-

row while commuters are

advised to follow the SOP issued

by the government to prevent the

spread of COVID-19", the state-

ment issued by traffic police said.

The statement urged security

forces not to ply against advisory

and traffic plan in view of traffic

congestion on Jammu-Srinagar

The series against Australia ended on Tuesday with India winning it 2-1.

**'Proud and at peace', Parthiv Patel retires from all forms of cricket**

NEW DELHI, Dec 9:

Parthiv Patel, one of the youngest to have played Test cricket for India at the age of 17, today announced his retirement from all forms of the game, three months short of his 36th birthday.

The baby-faced Parthiv, who made his Test debut under Sourav Ganguly, aged 17 years and 153 days, played 65 international games for the country, which included 25 Tests, 38 ODIs and two T20 Internationals.

"Today, I announce retirement from all forms of cricket and as I bring down curtains on this 18 year-old cricketing journey, I feel heavier with gratitude for many," the 35-year-old Parthiv said in a statement on his official twitter and Instagram account.

The left-handed batsman scored nearly 1700 runs (1696) across formats with 934 runs (6 half centuries) coming in the longest format.

In ODIs, he scored 736 runs with four half-centuries and a highest score of 95. He effected 72 dismissals in Tests, which include 62 catches and 10 stumpings.

Parthiv burst onto the scene in early 2002, when he was sent to England after having played for India A in South Africa and even before he made his Ranji Trophy debut. (PTI)

## Govt approves setting up of public Wi-Fi networks through PM-WANI

NEW DELHI, Dec 9:

In a bid to fuel broadband internet proliferation across the country, the Government today approved setting up of public Wi-Fi networks and access points by local Kirana and neighbourhood shops through public data offices that will not involve any licence, fee or registration.

The public Wi-Fi Access Network Interface will be known as PM-WANI, and it promises to unleash a massive Wi-Fi revolution in the country.

The Cabinet approved setting up of these public Wi-Fi Networks with an architecture involving multiple players -- Public Data Office (PDO), Public Data Office Aggregators and app providers.

"No licence, no registration, and no fee would be applicable for the PDOs, which could be small shops or even Common Service Centres," Communications Minister Ravi Shankar Prasad told reporters after the meeting of the Cabinet.

Public Data Office (PDO) will establish, maintain and operate Wi-Fi access points and deliver broadband services to subscribers, while Public Data Office Aggregator (PDOA) will act as an aggregator of PDOs and perform the functions relating to authorisation and accounting.

Further, the proliferation of

## JKPCC contractors demand release of pending payments

Excelsior Correspondent

JAMMU, Dec 9: JKPCC Piece Workers & Contractors Association, Jammu has urged the higher authorities in the Corporation to clear old liabilities of the contractors.

A delegation of the Association led by its president, Rakesh Lalji met the Managing Director of the JKPCC Ltd, Vikas Kundal here today and invited his attention towards the issues of the contractors with regard to pending payments, even for the last 5-6 years.

The members pointed out that during previous meeting on November 9, they were assured that their payments will be released within days but till

now, no progress has been observed in this regard. They sought development towards release of their payments. They pointed out that many contractors were facing hardships. Due to Corona, they have already suffered badly and now due to non-release of their pending wages. They said many of them had borrowed loans from the banks for executing works and now they are unable to return the loan amount with interest.

The MD assured the members to take up the issue with the concerned higher authorities for ensuring early release of funds for clearing pending payments. General secretary Sunil Kumar and other office bearers also accompanied the delegation.

## Probe ordered after family alleges death due to medical negligence

Excelsior Correspondent

LEH, Dec 9: Medical Superintendent, SNM Hospital, Dr. Norzin Angmo has constituted a committee to find the reason behind the death of a 32 year old lady who died after giving birth to a baby in the hospital on December 7.

Dr. Angmo said it will be too early to draw any conclusions as the matter is under investigation.

The family of the woman has alleged sheer negligence of hospital administration as the reason behind her death.

Sister of the deceased claimed that the expecting lady was shifted to labour room on Sunday morning.

"There was no doctor and the patient was attended by three nurses but still a baby was born out of normal delivery. We were not allowed to meet her and nurses demanded boiled water. I forcefully went inside and found her bleeding excessively. I asked for doctor but there was no one attend. The doctor instead of reaching hospital on time and attending the patient personally was taking the status of patient and guiding the nurses on phone," sister of the deceased lady informed adding that the doctor arrived very late and instead of handling the case asked for COVID report

## China gives 5 differing explanations, says EAM

NEW DELHI, Dec 9:

"We are today probably at the most difficult phase of our relationship with China, certainly in the last 30 to 40 years or you could argue even more," Jaishankar said highlighting various aspects of the bilateral ties in the last three decades.

"The relationship this year has been very significantly damaged."

"We are very clear that maintaining peace and tranquillity along the LAC is the basis for the rest of the relationship to progress. You can't have the kind of situation you have on the border and say let's carry on with life in all other sectors of activity. It's just unrealistic," he said.(PTI)

NEW DELHI, Dec 9:

The Centre today said it has released the sixth installment of Rs 6,000 crore to the states to meet the GST compensation shortfall.

With this installment, a total amount of Rs 36,000 crore has been released so far.

Out of Rs 6,000 crore released this week, an amount of Rs 5,516.60 crore has been given to 23 states and Rs 483.40 crore has been released to the 3 Union Territories (UTs) with Legislative Assembly (Delhi, Jammu & Kashmir and Puducherry) which are members of the GST Council, the Finance Ministry said in a statement.

"The amount has been borrowed this week at an interest rate of 4.2089 per cent. So far, an amount of Rs 36,000 crore has been borrowed by the central government through the special borrowing window at an average interest rate of 4.7106 per cent," it said.

## J&K among 3 UTs get Rs 483 cr to meet GST compensation shortfall

The remaining five states, Arunachal Pradesh, Manipur, Mizoram, Nagaland and Sikkim, do not have a cap in revenue on account of GST implementation.

The Government of India is borrowing this amount on behalf of the States and UTs through a special borrowing window to meet the estimated shortfall of Rs 1.10 lakh crore in revenue arising on account of GST implementation, it said.

In addition to providing funds through the special borrowing window to meet the shortfall in revenue on account of GST implementation, it said, the Government of India has

remaining 50 per cent be granted additional borrowing permission equivalent to 0.5 per cent of states' GSDP to the states choosing option-I to meet GST compensation shortfall to help them in mobilising additional financial resources.

So far permission for borrowing an additional amount of Rs 1,06,830 crore has been granted to 28 states under this provision.

Interest on the borrowed amount would be the first charge on the cess, which gets collected beyond the five years. The next charge would be 50 per cent towards the principal amount which gets borrowed, that is Rs 1.10 lakh crore and then the

issue after revenues from the imposition of cess started dwindling since August 2019.

The Centre had to dip into the excess cess amount collected during 2017-18 and 2018-19.

The Centre had released over Rs 1.65 lakh crore in 2019-20 as GST compensation. However, the amount of cess collected

during the 2019-20 stood at Rs 95,444 crore.

The compensation payout amount was Rs 69,275 crore in 2018-19 and Rs 41,146 crore in 2017-18.

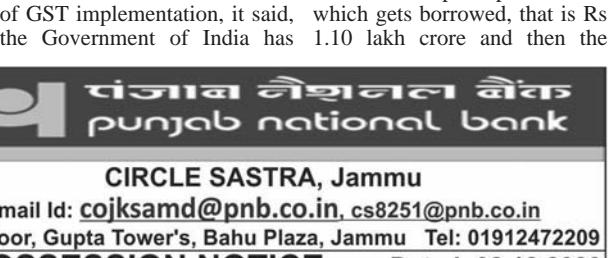

During April-July of the current fiscal, the total compensation due to states stands at over Rs 1.51 lakh crore. (PTI)
